Dear Ms. Stockstad:

On behalf of Customs and Border Protection, I want to thank you for submitting your Supply Chain Security Profile Questionnaire. By joining with us in the Customs-Trade Partnership Against Terrorism (C-TPAT), you are contributing to the security of our borders and to the continued free flow of international trade.

The participation of LimitLess International, Inc., as well as others from the broker and consolidator communities, is but a first important step in what promises to be a sustained effort to meet the challenge posed by the terrorist threat to the United States. Your role in the C-TPAT is to continue current efforts to secure you company's operations against possible compromise, communicate your efforts to your business partners, and maintain a high level of compliance in other Customs related areas.

Our commitment to you, consistent with our mission-critical objectives, is to provide an entry process marked by the efficient release of goods and the prompt resolution of any outstanding issues affecting Customs processing of shipments. In addition, Customs is in the process of assigning a person who will act as your liaison for all C-TPAT related matters. In the interim, please contact the Customs Headquarters C-TPAT office with any C-TPAT related questions. If you currently have an Account Manager assigned to your Company, you may continue to engage him or her with any Customs related questions or concerns.

After careful review of your security profile, we are pleased to inform you that you have completed your Supply Chain Security Profile commitment and we welcome you as a certified partner of the C-TPAT program. Customs will proceed to provide LimitLess International, Inc., with C-TPAT benefits. Forthcoming benefits will include anti-terrorism training seminars, sharing of information and best practices, etc.
